

RETURN TO PLAY SOCCER GUIDELINES
ANNANDALE BOYS' & GIRLS' CLUB, INC. – July 17, 2021
TO BE FOLLOWED AT RECREATIONAL SOCCER PRACTICE AND GAMES

Each team should have a COVID manager(s) who makes sure the Return to Play guidelines are followed.

All players, spectators, coaches, and referees who are not fully vaccinated must wear masks when not playing in the game. Masks are encouraged, but not required, for those playing on the field.

All family units (players, spectators, coaches, referees) must self-test for COVID signs and stay home if there are any symptoms of COVID (fever, cough, fatigue, shortness of breath, stomach issues, etc.) or have been around a COVID patient in the last 14 days.

Players must use hand sanitizer before entering playing field and when leaving playing field.

All persons on the sidelines must maintain social distance from each other.

During coaches' remarks, players and coach must maintain social distance from each other.

Each player must provide his/her own water and snacks. There will be no sharing.

Before, during, and after the game, there will be no tunnels, handshakes, fist bumps, high fives, or other forms of congratulations involving physical contact.

If a person tests positive for COVID, he/she may not participate for 14 days and must notify the COVID Manager/Coach so that others may be told.
